**Subject:** FW: Invitation to Rural Voices Gathering - help shape provincial Rural and Remote strategy

Good morning,

I hope this email finds you well.

A contact of mine sent me an invitation to a Rural Voices Gathering that will give rural and remote communities the chance to provide feedback on health service delivery and transportation for health services and assist the Province of BC in shaping a Rural and Remote Health Strategy. I'm forwarding you the invitation in case you have not already been informed of this session and have an interest in attending.

Thank you!

Warm regards,

**Christina Doll, Ec.D.** (she/her | elle/la)

Good afternoon Christina,

My role works very closely with the Rural Coordination Centre of BC. Since you've been so involved with communities through your work I figured it'll be helpful to extend the invitation to you.

Feel free to share this along to your network.

The RCCbc with FNHA are hosting a rural voices gathering which will be a virtual meeting. This event is informed by the previous session held in 2020. The Rural voices gathering will engage ~1000 rural individuals across BC to discuss and provide feedback to health service deliver and impacts of transportation. This session will also be an opportunity for attendees to review the Rural and Remote Strategy currently being developed by the BC government.

<https://rccbc.ca/initiatives/rural-voices-gathering/>

If you're available hopefully you're able to join. There are two half-day virtual sessions. The event also provide rural communities \$500 to host a community meeting to continue to conversation between Nov 21-27. If you have any questions, please feel free to reach out to Alice at [amuirhead@rccbc.ca](mailto:amuirhead@rccbc.ca).

Cheers,  
Sandy
