Name of Organization: One Hundred Mile and Area Mens Shed

Mailing Address: 6779 Barnett Road

Physical Address: [REDACTED]

Telephone (office): [REDACTED] **email:** [REDACTED]

Purpose of Organization: Men's Sheds is based on a simple concept: Improve our members' physical and mental health through activities men will actually join. It's where you can learn or teach new skills and find new opportunities and interests while making new friends. A Men's Shed provides a safe and friendly environment where men can work on meaningful projects. Men work at their own pace, in their own time, in the company of other men. A Shed offers men an alternate way to reach out to avoid 'isolation' while giving back to society.

How long has the organization operated in the community? Five months

4. Describe the key activities and timelines to complete this project: Items to be built over winter involving this group of men socializing, learning new skills and having these projects finished by spring.

5. How will you determine if the project/event was successful? Giving these folks a sense of pride and joy after completing our projects and meeting new people/friends.

Yes

If so, which organizations? Four Rivers Coop/\$1500

If the requested grant is reduced or disapproved we would scale back our projects until other sources of funding can be found, relying on more grants in the future until we can become self sustainable.

No

Signage on our Men's shed indicating we are proud to have been sponsored by the CRD,additional we would affix a decal giving thanks to the CRD for their financial support on our projects.
