I don't have a final report from the previous grad class. The CRD/District was publicly recognized for providing funding in the local paper, on the radio, and during the announcement at prom. The funds were utilized to help the Dry Grad of 2024 to be a big success. There were a lot of costs like decorations, entertainment, insurance, music, food ect. so this grant helped to alleviate some of these costs to make the grad a huge success and enjoyable for all those involved!
