**Q7 Should the CRD increase, decrease, or maintain existing levels of service for the following functions? Note: Increasing service availability/levels requires additional funding from taxation or user fees since costs would increase, whereas a decrease in service availability/levels generally does not. Maintaining existing services would see only increases for inflation.**

## Q8 Is there anything you would like to add about service levels and availability in your area?

Answered: 39 Skipped: 60

#	RESPONSES	DATE
1	<b>Taxes</b> I do realise that improvements to services require an increase in taxes.	2/16/2025 7:18 PM
2	<b>Taxes</b> We don't need a government within a government, just another way to get our tax dollars	2/16/2025 5:24 AM
3	<b>Non-CRD Services</b> Snow pushback from driveways used to be done at least once a year. It has been non-existent the last couple of years. Taxes go up, services go down. This is un acceptable to me.	2/15/2025 5:42 PM
4	<b>Engagement</b> There is NO Detail on expenses so public input means little in this survey. All I see is annonomous BS that if used by directors provides no real clear accountability of tax money. Past efforts to survey citizens like last year only 24 responded shows clearly the CRD has no intention of listening nor changing budgets, this survey is useless.	2/14/2025 7:13 AM
5	<b>Engagement</b> Bring back the tennis court.	2/14/2025 7:00 AM
6	<b>Taxes</b> Less moneyspent on overhead and cleaning up sending on wages and mainstream some services. Keep crd functions to crd not doinf bc wildfire jobs	2/12/2025 5:19 PM
7	<b>Recreation</b> Community center in wildwood	2/11/2025 8:26 PM
8	<b>Fire Protection</b> <b>Taxes</b> the service provided over all are acceptable. although i live in miocene and i am very disappointed in having to pay for a million dollar water tender its ridiculous and unnecessary. we had a vote that i feel was tongue and cheek that didn't consult our community well enough and was not thought out very well. it is especially stinging that i live outside of 8km but within the 13km so i am paying for a fire service that insurance doesn't think will be able to save my home (which i agree) so i am also paying unprotected rates for my insurance. its a joke and i really feel ripped off on all fronts, i would prefer to be excluded from the fire protection area all together.	2/11/2025 7:53 AM
9	<b>Taxes</b> I would personally like to see the size of all levels of gov't shrunk by at least 30%	2/10/2025 8:27 PM
10	<b>Development</b> <b>Fire Protection</b> <b>Recreation</b> We have no fire department and very few actual services in our area like community hall etc. It would be nice to have. Also property owners need to have less legislation and government interference on their own land. Building permits etc and how many homes should not be anyone's business but the owner of the property. There is far too much over regulation and over reach happening. People are trying desperately to make ends meet and ard being taxed to death. Enough is enough.	2/10/2025 2:34 PM
11	<b>Solid Waste</b> Promised refuse dump at Chimney Lake to be monitored and gated, nothing happened	2/9/2025 10:06 AM
12	<b>Bylaw Enforcement</b> <b>Fire Protection</b> way too much junk and old vehicles visible in peoples yards, property owners not clearing brush and junk wood which endangers the whole community. put more money into fire dept. budgets and do more to train and retain chiefs and volunteers.	2/8/2025 9:39 AM
13	<b>Fire Protection</b> The VFD in Miocene is a joke. Most members are [REDACTED] and the chief and some volunteers are [REDACTED]. Remove them.	2/7/2025 9:56 AM
14	<b>Fire Protection</b> We need to do all that we can to support our Fire Departments	2/6/2025 4:17 PM
15	<b>Solid Waste</b> I would like to see composable materials being separated from regular garbage, maybe glass as well.	2/6/2025 2:10 PM
16	<b>Solid Waste</b> We would like better garbage and recycling services to be provided to Russet Bluff. Currently only garbage is offered and the contractor (360 Solutions) has poor	2/6/2025 7:10 AM

administration - they forgot to take auto deposits from our account and then send us "unpaid" mail. It took calling them twice for them to figure out that the previous owner no longer lives here and to stop sending her overdue invoices.

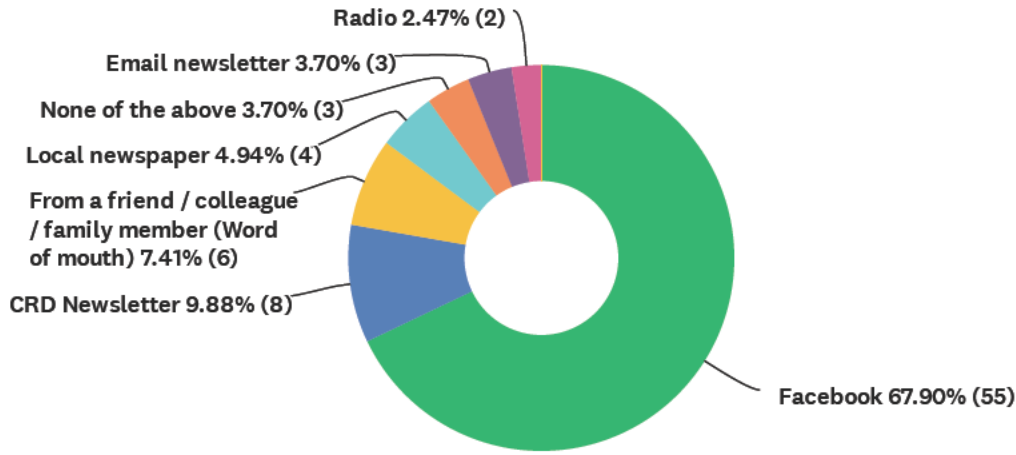

17	<b>Non-CRD Services</b> Very little policing presence in the Horsefly area	2/5/2025 5:03 PM
18	<b>Non-CRD Services</b> Road maintenance - wasn't sure what dept this would fall under. It has been almost 20 years since our road, Millar Rd on Horsefly Lake, as been re-gravelled. We are down to the road base in most parts on the road. Also, logging trucks have been running on it for about a year now--spring could be a problem for drivers/residents. Also, the road hasn't been brushed in years---the overgrowth is getting dangerous especially, again in the spring, once the overgrowth starts leafing up.	2/5/2025 12:01 PM
19	<b>Administration</b> third party audits on expenditures for VFD, community hall, CRD director, all contractors for CRD.	2/5/2025 9:37 AM
20	<b>Non-CRD Services</b> Russet bluffs needs to be plowed more in the winter months.	2/4/2025 8:19 PM
21	<b>Non-CRD Services</b> Increase funding for snow removal and road maintenance (potholes). Charge the trucking companies for gravel road destruction they are causing. Residents shouldn't have to pay for their damage.	2/4/2025 8:19 AM
22	<b>Emergency Services</b> <b>Fire Protection</b> Funding for rural fire departments and their emergency services.	2/4/2025 8:19 AM
23	<b>Taxes</b> Stop looking for new ways to spend money and concentrate on reducing costs for existing services.	2/4/2025 6:51 AM
24	<b>Engagement</b> Without Steve Forseth, we would never know what is going on. Directors, once elected seem to disappear. Never heard from again until elect time. More open communication is a must! It isn't a secret club folks. Directors who are on more than one Council are not focused and likely in a conflict of interest position.	2/4/2025 5:02 AM
25	<b>Recreation</b> Multi purpose facilities to house and host various community related events, sports, cultural and artistic, private and corporate rental spaces.	2/3/2025 5:08 PM
26	<b>Non-CRD Services</b> City of Williams Lake water is very poor. I have filters and it's still bad. Manganese is filling all the plumbing with black sludge. Fireworks are fine during celebrations but in my neighborhood, in a residential area in town, fireworks happen almost every weekend.	2/2/2025 9:06 PM
27	<b>Solid Waste</b> Allow rural residents to use any dump. Ie:Mclease residents using Wildwood on their way to work. The Mclease dump being where it is is such a huge carbon footprint. Sheridan hill takes a lot of fuel. For residents and garbage trucks, plows etc. We recycle only to pollute more? It doesn't make sense, does it? An area director that doesn't cater to the same few would be good as well.	2/2/2025 8:41 AM
28	<b>Non-CRD Services</b> <b>Utilities</b> We should have water and sewer services tied to Williams Lake Our road hasn't been paved for over 30 years	2/2/2025 7:04 AM
29	<b>Recreation</b> <b>Utilities</b> Would like to see more in our area Ex:fox mountain: street lights, community hall, playground	2/1/2025 6:50 PM
30	<b>Non-CRD Services</b> <b>Solid Waste</b> Reopen the share sheds at the various transfer stations. It's a much needed service that should be available. Finish repaving Huston Rd in 150 Mile House and repair Pigeon Rd bridge/road so there isn't a bump.	2/1/2025 2:22 PM
31	Our area, Miocene, should have more services equal to Big Lake area	1/31/2025 7:13 PM
32	No	1/30/2025 4:16 PM
33	<b>Non-CRD Services</b> <b>Solid Waste</b> We are 20km off highway and finally, Emcon is really doing a great job up here on our roads. We don't get anything else other than access to Wildwood Refuse site so don't see much happening other than that.	1/30/2025 1:21 PM
34	<b>Solid Waste</b> Please bring recycling bins to the chimney lake dump!!!! So much recycling gets thrown in the dumpster there.	1/30/2025 7:19 AM
35	<b>Recreation</b> <b>Solid Waste</b> I would like to see food waste pick up at our homes. I would like to see accessible trails in town limits, not all out of town so you have to drive to them. Just drove	1/29/2025 10:50 PM

up to the Esler fields today to walk the trails and the parking lots were not plowed and I was afraid I would get stuck in my little car so came back to town.

36	<p><b>Administration</b> <b>Recreation</b> Our recreations services are lacking compared to other similar municipalities. But to save costs I would like to see more individual responsibility and less government programs.</p>	1/29/2025 10:37 PM
37	<p><b>Emergency Services</b> <b>Fire Protection</b> Increase forest fire mitigation such as fire smart properties, auto sprinklers, <a href="https://superinnovators.com/2024/01/automatic-giant-sprinkler-system-protects-thatched-japanese-village/">https://superinnovators.com/2024/01/automatic-giant-sprinkler-system-protects-thatched-japanese-village/</a> and extend fire hydrants were feasible</p>	1/29/2025 5:20 PM
38	<p><b>Recreation</b> I tried out the new trail at Esler near the disc golf course and ball fields and really enjoyed it. I live in Russet Bluff and would love to see some trail development there as well.</p>	1/29/2025 4:59 PM
39	<p><b>Fire Protection</b> Lower fire protection taxes Miocene has some of the highest when our next door neighbours in the 150 pay a third of the cost. Maybe join the fire areas and share the cost as the overlap?</p>	1/29/2025 3:03 PM
