Q7 Should the CRD increase, decrease, or maintain existing levels of service for the following functions? Note: Increasing service availability/levels requires additional funding from taxation or user fees since costs would increase, whereas a decrease in service availability/levels generally does not. Maintaining existing services would see only increases for inflation.

Q8 Is there anything you would like to add about service levels and availability in your area?

Answered: 65 Skipped: 80

#	RESPONSES	DATE
1	Libraries the library needs to be open at least 6 days a week, and not open until 8 pm	2/18/2025 10:23 AM
2	Recreation Ashcroft and Williams lake have a pool- I dont even have kids and I know how badly our community needs one!!!!	2/18/2025 4:32 AM
3	Recreation A swimming pool is vital for arthritis and other ailments. I pay taxes for an ice rink that is for a select few but my needs are ignored. I don't want to pay taxes on something that I can't use	2/17/2025 8:28 PM
4	Recreation Swimming pool in south cariboo is needed and indoor walking track.	2/15/2025 8:11 AM
5	Recreation Taxes I want a Pool! increase my taxes for something i agree to.	2/14/2025 7:23 PM
6	Recreation The 108 Greenbelt committee hold many more public meetings so all of the residents of the 108 Mile Ranch have input on how the greenbelt is managed. The greenbelt committee has been in their positions too long. Need the trails better maintained and more outhouses.	2/14/2025 9:00 AM
7	Engagement Recreation 108 greenbelt commission needs to be accountable to parcel taxpayers. for decades there has been "NO" public consultations on greenbelt uses. bylaws are changed and impemented with no input from taxpayers.	2/14/2025 7:05 AM
8	Engagement More interaction from the village, (elected members).	2/13/2025 11:10 AM
9	Administration Taxes It looks like the only thing you are increasing taxes on are administration costs...ie paying you more wages. Maybe you guys are too top heavy.	2/13/2025 10:09 AM
10	Recreation If you build a pool like was voted on we might be able to keep professionals from leaving because there's nothing for their families.	2/12/2025 1:40 PM
11	Non-CRD Services Keep the town cleaner. Help reface the town. Demolish the red coach. Lower commercial property taxes and raise residential.	2/12/2025 6:19 AM
12	Economic Development Recreation You need to work on bringing back tourism. In towns like 100 Mile house where the mills have closed, tourism is all that's left. Bring back the annual ski race, bring back bonfire parties, bring back annual events that attract people from all over the province and you need to bring in bigger business. I know it sucks for smaller business but towns without Walmart and Costco die. I considered moving to the Caribou two years ago and decided against it because there's just nothing there.	2/11/2025 9:29 PM
13	Airports Taxes Not sure why we spend so much tax dollars on 108 Airport. Should be user fee driven	2/11/2025 4:35 PM
14	Development It is so difficult to work within the ALR, here we have very little soil and eco system to sustain a Farm. However, there is little consideration of that in the Guidelines and legislation that allows other industry or business to flourish.	2/11/2025 11:33 AM
15	Non-CRD Services The so called legal marijuana grow operations need to be abolished! We have a very large grow operation close to us and there is never any one there checking up on the operation from any authority source to make sure they are legal and have the amount of plants they are registered to have.It is much larger than they are allowed. It stinks out our whole neighbourhood and has made us sickened to be out on our own property when they are venting. Get rid of them!!!!!!!!!	2/11/2025 9:03 AM
16	Engagement Fire Protection Non-CRD Services Need proper emergency preparedness info for rural residents - i.e. pamphlets, town hall meetings. Less emergency persons showing up for basic ambulance calls - i.e. fire chief, 4 firemen, 2 paramedics for a simple call out to an	2/10/2025 3:10 PM

elderly person who chose to die at home. Saw this 3 times to same house across the street in a period of 3 months. Extremely costly and having 5 extra personnel aside from the 2 paramedics seemed way over the top considering the situation.

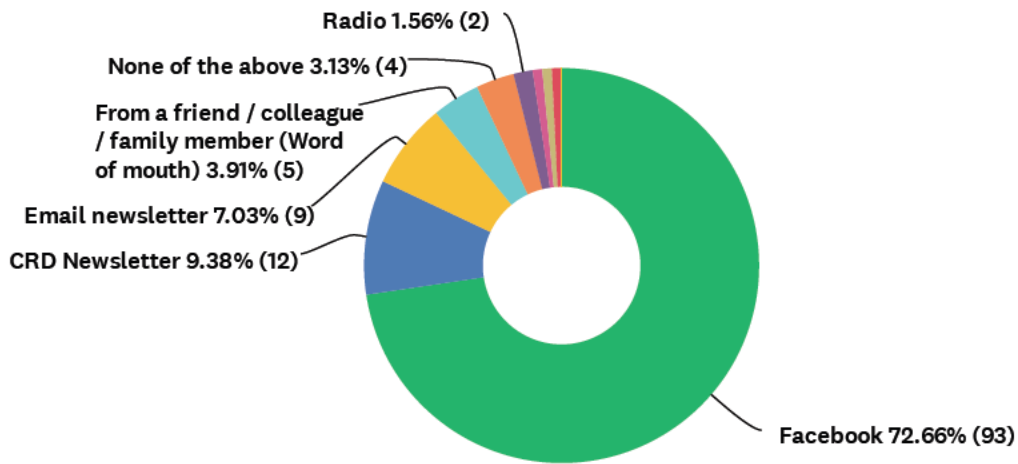

17	Non-CRD Services Recreation Taxes Ants are really bad in huge nests during the summer, support for this or a number to call for people to help with this situation would be awesome There are so many outside funding options or people to donate funds a community centre with a pool would be a huge asset to the community. The vacant buildings should be subject to a vacancy charge, any vacant buildings after 6 months is charge \$500/business \$2000. They can request extension if they have vacant and have planned development or changes but otherwise this vacancy charge would prevent vacancies in the buildings in town. For instance the red coach inn needs to be dealt with.	2/10/2025 8:54 AM
18	Fire Protection We had to spend over \$30,000 of our own money on fire protection equipment. We know there is little response in this area.	2/9/2025 8:28 PM
19	Solid Waste Decrease garbage pick up and increase recycling. Make sure that when we recycle, it truly gets recycled!	2/9/2025 4:03 PM
20	Invasive Plants Non-CRD Services Solid Waste I have lived here since 2018 and applied for assistance for invasive plants. I followed up several times with NO response!!!! Also I would like to know how much of our recycling is being recycled. Community and community events are vital to small towns. An increase in policing, especially break ins and thefts is needed.	2/8/2025 9:21 PM
21	Recreation I live in the 108 and the parcel tax for green belt is cheap. I would pay double to help fund more improvements at beach area like swimming docks and playgrounds.	2/8/2025 12:53 PM
22	Recreation We need a indoor POOL it would draw more people into the community and help people especially in the winter months to keep active in a safe environment	2/8/2025 11:44 AM
23	Recreation Like to see trail improvement and more out houses with year round cleaning and toilet paper. The area is missing out not having an indoor pool facility. Have to go to Williams Lake which becomes treacherous in winter.	2/6/2025 3:29 PM
24	Fire Protection Non-CRD Services Taxes I find it confusing how more of our tax dollars go towards volunteer fire departments than our only and under funded 100 Mile hospital. Seniors and chronically ill patients are having to travel hours for appointments and services not available locally. I've used the hospital 10x more than I've ever needed a fire department.	2/6/2025 1:15 PM
25	Recreation community centre with pool and walking track and rec gym is needed for all community and large surrounding area	2/6/2025 12:49 PM
26	Non-CRD Services I think the government should keep their nose out of private citizens business.	2/5/2025 8:25 PM
27	Recreation Quit trying to force us to pay for pools that will not benefit most senior rural residents	2/5/2025 7:51 PM
28	No	2/5/2025 5:23 PM
29	Economic Development Draw people to the South Cariboo region.	2/5/2025 8:56 AM
30	Recreation Would like to see I pool put in	2/4/2025 10:25 PM
31	Recreation 100 Mile needs a pool	2/4/2025 10:11 PM
32	Administration Taxes There's way too much government at tax payers expense! Budgets are good debt bad!	2/4/2025 2:23 PM
33	Bylaw Enforcement By law enforcement is not happening. I have filed complaints against existing by laws and did a follow up with no change of behaviours by those who violated the by-laws. By laws must have enforceable penalties or do away with all by laws.	2/4/2025 8:00 AM
34	Recreation Swimming pool, pickleball courts	2/4/2025 6:11 AM
35	Taxes There is insufficient funding allocated to specific districts that provide support to surrounding communities.	2/3/2025 3:05 PM
36	No	2/3/2025 2:54 PM

37	Non-CRD Services better road repair in 103 mile, filling potholes with gravel & driving over it is a waste of time & employee wages	2/3/2025 7:36 AM
38	Non-CRD Services Promoting Education and workforce development	2/2/2025 11:26 PM
39	Contribution Services the 108-100 mile house bus is so important! it would be great to have that service on Saturdays during special events such as music in the park or hot July nights and similar events.	2/2/2025 8:36 PM
40	No	2/2/2025 11:59 AM
41	Economic Development Need economic development badly	2/2/2025 5:45 AM
42	Fire Protection Invasive Plants Non-CRD Services So many lakes yet hardly any access to them. Need more public access POSTED SPOTS to the lakes. Invasive control, how about some on CRD property. Neighbours addressing the weeds but the CRD property next door is riddled with weeds, why bother dealing with them?? Fire, what's going on with the fire hall in FG? Looks like it's falling apart. CRD building maintenance appears to be non-existent. Emerg services, just waiting for an event to happen yet there is a whole department hired to wait for the event.	2/1/2025 3:56 PM
43	Taxes Many of people living here are older just living on pension so they can't afford anything what would cost them money increase on property tax which is already to high.	2/1/2025 3:52 PM
44	Non-CRD Services Recreation After visiting other communities throughout the province I realize how little 100/108 mile has. There is nothing for the kids. Abandoned and dilapidated buildings ruin the towns image and money is not spent trying to pull professionals in from other areas. They would love to see a money spent to save the failing movie cinema, a taxi/rideshare system or at least a frisbee golf course in town or at the ranch.	2/1/2025 3:47 PM
45	Development Economic Development Invasive Plants it would be nice if invasive species management of the 108 green belt focused on the Canada thistles - i've only seen spraying for blueets, but i wonder how effective that can be given many people grow them in their lawn more transparency about land use and economic development would also be nice	2/1/2025 12:02 PM
46	Non-CRD Services The school district is not providing enough support for local residents to find available recreational times after scheduled class time.	2/1/2025 8:48 AM
47	Bylaw Enforcement Recreation Many services do not need an increase, they just need action. Many by-laws are in place, they are just not being actioned, such as sending out CO more frequently or enforcing the invasive weed management. I don't want more green space disappearing so that people have more trails to walk their dogs or to build pickleball courts; 108 is becoming over-developed and is looking like a subdivision instead of country living. Clean up the 108 and its beaches, forget about a pool.	2/1/2025 6:32 AM
48	Economic Development Many empty buildings in Lac la Hache. Community development & planning should be looking at revitalizing the area, improving appearance etc	2/1/2025 6:21 AM
49	Economic Development Recreation More walking trails. Bigger business	2/1/2025 4:46 AM
50	Taxes In an area where there is a higher number of seniors (108/100 Mile) balancing tax increases and services will be important since many are on fixed incomes. Given current uncertainty of future cost of living given potential US tariffs I think that focusing on low-cost, high impact improvements will be key in ensure we can all afford to meet our financial obligations	2/1/2025 12:34 AM
51	Economic Development Non-CRD Services Recreation Having more things for economy and services for recreation for all ages. Hopefully some day a decent pool would be wonderful addition. More indigenous learning opportunities.	1/31/2025 6:46 PM
52	Recreation We lost the services from a doctor in 100 mile house due to the fact that there was no pool in the community where her son could practice, they moved to Nanaimo !	1/31/2025 1:58 PM
53	Engagement improve community engagement regarding projects	1/31/2025 1:26 PM
54	Non-CRD Services Fix the potholes in the rancheyyes that have been here on N horselake road for the last 6 years! Stop increasing my property taxes while offering no improvement in services, ie: no pothole repair	1/31/2025 8:01 AM
55	Recreation Desperately need a pool!	1/31/2025 6:23 AM

56	Recreation Access to community indoor pool.	1/31/2025 6:21 AM
57	Bylaw Enforcement We have no support for dog complaints. ie. noise, animals at large,biting. Many year problem, with no options. Containment can not be enforced. Noise levels can not be enforced. Windows can not be left open, for constant barking. Can not walk, or ride in the neighborhood, for dogs biting or chasing us. RCMP,,, not our problem... SPCA,,, none existent here... No bylaws that are enforced...Bad enough two neighbours have moved b cause of this problem. Our only answer is always, well if the animals come on your property, you have the right to shot them.... It's the animals owner who needs discipline, the animals are simply neglected . [REDACTED] [REDACTED] [REDACTED] Feeling very frustrated. Looking at moving also. Have lived in this neighborhood 34 years.	1/31/2025 12:33 AM
58	Emergency Services Utilities With drought becoming more and more common I worry about our lack of preparedness. It is not at all unlikely that well water will dry up or at least become very unreliable and we don't seem to have a plan to maintain many of our communities when that happens.	1/30/2025 9:35 PM
59	Non-CRD Services Our area just has snow removal, nothing else	1/30/2025 8:56 AM
60	Recreation 100 Mile needs a community Center with pool and exercise area and Daycare	1/30/2025 4:49 AM
61	Non-CRD Services Hospital staffing and services for 100 Mile House.	1/30/2025 3:41 AM
62	Bylaw Enforcement More bylaw in the lac la hache area.... clarke ave is a disgusting mess. It's a school street!!!! Start ticketing people. Some of us are trying to make the street look nicer so the kids don't have to scared walking down our street!!	1/29/2025 9:32 PM
63	Recreation recreation facilities should provide opportunities for seniors as well as youth and adults	1/29/2025 7:16 PM
64	Utilities It's incredibly frustrating to be on a community well that's had no upgrades, is extremely hard on my appliances/faucets ect and have multiple boil water advisories, yet we pay more then double the price now compared to 7 years ago. I would be happy to pay more if we had anything to show for it.	1/29/2025 3:14 PM
65	Bylaw Enforcement Bylaw enforcement is not happening the way it should. But you will not be able to make it any better with only 2 personnel in place, our area is just too big. Another idea on how to maybe work together with other institutions to make this more of a priority. If the bylaws cannot bet enforced, why do we even have them??	1/29/2025 2:47 PM
