Q7 Should the CRD increase, decrease, or maintain existing levels of service for the following functions?Note: Increasing service availability/levels requires additional funding from taxation or user fees since costs would increase, whereas a decrease in service availability/levels generally does not. Maintaining existing services would see only increases for inflation.

Q8 Is there anything you would like to add about service levels and availability in your area?

Answered: 2 Skipped: 4

#	RESPONSES	DATE
1	Bylaw Enforcement There needs to be animal control in the CRD, people are getting attacked by dogs and there is no one to call. CRD Bylaw says to call the SPCA, but the SPCA only enforces the Prevention of Cruelty to Animals Act, and won't pick up strays. SPCA says to call RCMP, RCMP says its not an RCMP issue, and to call City Bylaw. But City Bylaws only cover animals in the City limits. Its time the CRD to step up to the plate and finally get some animal control services.	2/6/2025 3:50 PM
2	Non-CRD Services Cell service is substandard, internet access is limited and expensive,	2/3/2025 7:41 AM
