Q7 Should the CRD increase, decrease, or maintain existing levels of service for the following functions? Note: Increasing service availability/levels requires additional funding from taxation or user fees since costs would increase, whereas a decrease in service availability/levels generally does not. Maintaining existing services would see only increases for inflation.

Q8 Is there anything you would like to add about service levels and availability in your area?

1	Recreation Ashcroft and Williams lake have a pool- I dont even have kids and I know how badly our community needs one!!!!	2/18/2025 4:32 AM
2	Recreation Swimming pool in south cariboo is needed and indoor walking track.	2/15/2025 8:11 AM
3	Engagement More interaction from the village, (elected members).	2/13/2025 11:10 AM
4	Non-CRD Services The so called legal marijuana grow operations need to be abolished! We have a very large grow operation close to us and there is never any one there checking up on the operation from any authority source to make sure they are legal and have the amount of plants they are registered to have.It is much larger than they are allowed. It stinks out our whole neighbourhood and has made us sickened to be out on our own property when they are venting. Get rid of them!!!!!!!!!!	2/11/2025 9:03 AM
5	Non-CRD Services Recreation Taxes Ants are really bad in huge nests during the summer, support for this or a number to call for people to help with this situation would be awesome There are so many outside funding options or people to donate funds a community centre with a pool would be a huge asset to the community. The vacant buildings should be subject to a vacancy charge, any vacant buildings after 6 months is charge \$500/business \$2000. They can request extension if they have vacant and have planned development or changes but otherwise this vacancy charge would prevent vacancies in the buildings in town. For instance the red coach inn needs to be dealt with.	2/10/2025 8:54 AM
6	Invasive Plants Non-CRD Services Solid Waste I have lived here since 2018 and applied for assistance for invasive plants. I followed up several times with NO response!!!! Also I would like to know how much of our recycling is being recycled. Community and community events are vital to small towns. An increase in policing, especially break ins and thefts is needed.	2/8/2025 9:21 PM
7	Fire Protection Non-CRD Services Taxes I find it confusing how more of our tax dollars go towards volunteer fire departments than our only and under funded 100 Mile hospital. Seniors and chronically ill patients are having to travel hours for appointments and services not available locally. I've used the hospital 10x more than I've ever needed a fire department.	2/6/2025 1:15 PM
8	Non-CRD Services I think the government should keep their nose out of private citizens business.	2/5/2025 8:25 PM
9	Recreation Quit trying to force us to pay for pools that will not benefit most senior rural residents	2/5/2025 7:51 PM
10	Economic Development Draw people to the South Cariboo region.	2/5/2025 8:56 AM
11	Recreation 100 Mile needs a pool	2/4/2025 10:11 PM
12	Administration Taxes There's way too much government at tax payers expense! Budgets are good debt bad!	2/4/2025 2:23 PM
13	No	2/2/2025 11:59 AM
14	Economic Development Need economic development badly	2/2/2025 5:45 AM
15	Economic Development Recreation More walking trails. Bigger business	2/1/2025 4:46 AM
16	Economic Development Non-CRD Services Recreation Having more things for economy and services for recreation for all ages. Hopefully some day a decent pool would be wonderful addition. More indigenous learning opportunities.	1/31/2025 6:46 PM
17	Non-CRD Services Fix the potholes in the rancheyyes that have been here on N horselake	1/31/2025 8:01 AM

road for the last 6 years! Stop increasing my property taxes while offering no improvement in services, ie: no pothole repair

18	<p>Recreation Desperately need a pool!</p>	1/31/2025 6:23 AM
19	<p>Bylaw Enforcement We have no support for dog complaints. ie. noise, animals at large,biting. Many year problem, with no options. Containment can not be enforced. Noise levels can not be enforced. Windows can not be left open, for constant barking. Can not walk, or ride in the neighborhood, for dogs biting or chasing us. RCMP,, not our problem... SPCA,,, none existent here... No bylaws that are enforced...Bad enough two neighbours have moved b cause of this problem. Our only answer is always, well if the animals come on your property, you have the right to shot them.... It's the animals owner who needs discipline, the animals are simply neglected .  Feeling very frustrated. Looking at moving also. Have lived in this neighborhood 34 years.</p>	1/31/2025 12:33 AM
20	<p>Emergency Services Utilities With drought becoming more and more common I worry about our lack of preparedness. It is not at all unlikely that well water will dry up or at least become very unreliable and we don't seem to have a plan to maintain many of our communities when that happens.</p>	1/30/2025 9:35 PM
21	<p>Non-CRD Services Our area just has snow removal, nothing else</p>	1/30/2025 8:56 AM
22	<p>Non-CRD Services Hospital staffing and services for 100 Mile House.</p>	1/30/2025 3:41 AM
23	<p>Bylaw Enforcement Bylaw enforcement is not happening the way it should. But you will not be able to make it any better with only 2 personnel in place, our area is just too big. Another idea on how to maybe work together with other institutions to make this more of a priority. If the bylaws cannot bet enforced, why do we even have them??</p>	1/29/2025 2:47 PM
