SEPTEMBER 2025 MARCH WITH ARCH

Walking For Residential School Survivors

Archie Chantyman Started This Yearly Movement Two Years Ago In 2023. Walking From Kluskus Indian Reserve Also Known as Lhooskuz, To Joseph Saint Missions Residential School (Williams Lake BC) and Back.

I, Shania Chantyman Supported "March With Arch" For the Past Couple Years. I Found This Movement Very Healing as A Survivor from A Long-Term Fentanyl Addiction. This Powerful Movement Really Helped Me Heal Spiritually, Mentally, And Physically. I've Also Made Some Amazing Friendships Throughout the Journey By Participating In Sweats, Ceremonies, Break Stops, Meals, & Socializing Around Camp Fires.
