### Application Overview

#### Application Timeline

Project Description	The Friends of Barkerville Cariboo Goldfields Historical Society is seeking funding to restore 10 'red roof' information kiosks along the Barkerville Highway. The kiosks will be revitalized and improved with new stain, paint and installation of new signage.
Project Rationale	<p>The 'red roof' locations have fallen into disrepair and are missing signage. Revitalization of the existing infrastructure at these locations and restoration of signage will provide stops of interest along Barkerville Highway. This signage will promote regional historical values and knowledge to enhance the visitor experience in the region.</p> <p>By engaging in this project, the society will fulfill its mandate of enhancing the preservation, protection and promotion of Canada's culture as it applies to Barkerville and the historic Cariboo Goldfields.</p>
Start Date	2024-08-13
End Date	2025-09-01
