Dec 10, 2025

Good Day Pippa:

This letter is in response to your request for information from Quesnel Search & Rescue dated December 09, 2025.

We have 36 Active Members.

So far in 2025 we have had 31 Call-outs with 316 hours of volunteer member's time.

So far in 2025 we have had 138 training sessions with 1,439 hours of volunteer member's time.

This year we have upgraded our Rope Rescue team to include 2 Team Leads, 8 Tech 1 and 7 Tech 2 certified members. This means that we can respond to a technical rope rescue without having to automatically call for mutual aid and wait to respond to a call-out.

We have also acquired 2 Remote Piloted Aircraft Systems (DRONES). We have 1 Advanced RPAS, 4 Basic RPAS and 2 Tech 1 RPAS certified members.

This year we now have 3 BC Tracking Association certified instructors. We have 6 Track Aware certified and 3 Tracker certified members to be able to respond to a call-out.

We are looking forward to getting trained up with the new evacuation notice application program in preparation for next year's fire season.

Bob Zimmerman, President  
Quesnel Search & Rescue.
