Dear Community Members,

Lhtako Dene Nation is proudly announcing the next annual Pow Wow set to take place from July 31 to August 2, 2026.

This is our third year hosting a Pow Wow on our territory, with the first year webcasted, reaching over 19 million views worldwide.

In our second year, we reached 270,300 people in 61 countries through the same webcast and welcomed more than a few thousand attendees, including 50 different vendors in total, and 10 food vendors, for the event.

This event typically attracts thousands of attendees, and we anticipate an even larger turnout due to the webcast. Consequently, this increase in participation will require enhanced security measures and medical personnel on standby.

This cultural event is only made possible with the support of the community, through volunteer time and sponsorship donations. Your generous support has significantly strengthened our fundraising initiatives to create a successful event and practice our sacred traditions. We are truly grateful for your generosity.

In recognition of your generous donations, we offer tax exemptions as a registered charitable organization. Additionally, contributors will enjoy advertising opportunities, goodwill recognition, and promotion through event advertising, social media, and local newspapers, as well as the appreciation of our community members and visiting guests. Sponsorship opportunities for this event are available at various tiers: platinum, gold, silver, and bronze.

Thank you for your attention. We eagerly look forward to your participation.
